

Welcome SDS Dance Families!

I would like to welcome everyone back for another great dance year. I have missed all my returning students and am looking forward to working with my new ones.

Although this year is starting off different and we will not be able to have the communication in the waiting room as previous years – please do not hesitate to contact me via phone, email or text! It is important to me that we keep the same level of communication going as usual! 😊

Stay Informed

Take the time to visit our web site regularly. There is a “studio calendar” that provides much of the information that you will be seeking throughout the year. All classes are on there, along with the days that the studio will be closed.

Make-up classes are there also. When we need to cancel due to weather or holiday. If you click on the “studio closed” writing it will give you the list of make-up classes for that day. Studio events - Just click on the event and it will give you much information.

When you are questioning if there is class, whether it be due to a holiday or bad weather refer to the web site first.

As far as inclement weather – if the Selinsgrove Area School District cancels or closes early for **weather reasons; we are closed.** If class is cancelled because of weather - the make-up day/time will be posted to our calendar. This only applies to bad weather – we are not closed every time the school district is closed for any other reason.

Always refer to the SDS calendar.

Take the time to check your online account also. It will keep you up to date on your fees and payments.

Sweats/Merchandise Sale!

You will be receiving an order form for SDS sweatshirts/pants and other merchandise in the next few weeks. These are a great idea for birthday, holiday or just because!

Dancer Drop and Pick Up

Please make it a priority to be on time when dropping off and picking up your dancer. If you run into an extenuating circumstance and you are running late for drop off or pick up – please text the studio phone. Please understand that you may not drop off your dancer without a teacher taking their temperature and bringing them into the building.

Label your Dancer's Shoes

Please take the time to put your child's name in their shoes.

Virtual Open House!

We will be having a “virtual Open House” for all classes in November. We will video a portion of your dancer's class and then it will be made into a video for a short Zoom showing. We look forward to showing you your dancers hard at work this Fall!

Update Your Credit Card

Please make sure to keep the card you have on file updated. If you receive a new card due to exp. Date or due to a compromised account, it is your responsibility to make sure that your card on file is updated.

There is a \$10.00 fee for any credit card transaction that is declined for any reason.

Please make sure that your dancer is following our dress code.

Never allow your dancer to wear his/her dance shoes outside. Shoes worn outside will not be permitted on the studio floor.
