Hi SDS Families!

I am sending this out because we have updated information that pertains to and changes our upcoming show plans.

YES, we are still holding the show... lol

We have been told that our number of parents, dancers and crew exceeds the capacity permitted, so we need to break the performance into 2 shows. We thought the allowance was different than it is – so we need to make the adjustments.

We will have 6 Classes (our 6 youngest groups) splitting into 2 shows and the remainder of the dancers (students that take 2 hours or more) will perform in both shows. This will give each audience 3 younger classes to see as well as all the intermediate and advanced dancers. We will use rehearsal time that was slotted to add a show time. This should be the least imposing way to keep your show day schedule as close to what it would have been as possible. 😊

4:30 PM Show - Will include the following Classes: 1. Monday 5:30-6:30 Class

2. Thursday 6:00-7:30 Class (A-1)

3. Saturday 11:15-12:15 Class

4:30 PM Dancers will need to be dropped off at the theater at 4:00 PM. – After the dancers are taken back to the dressing area – the auditorium doors will open to let you go in and take your seats.

7:00 PM Show - Will include the following Classes: 1. Wednesday 5:00-6:00 Class

2. Tuesday 5:00-6:30 Class (A-1)

3. Saturday 10:00-11:00 Class

7:00 PM Dancers will need to be dropped off at the theater at 6:30 PM. After the dancers are taken back to the dressing area – the auditorium doors will open to let you go in and take your seats.

Classes that will perform in both shows:

1. Friday 5:00-7:00 PM Class (A-2)

2. Wednesday 5:30-7:30 Class (B-1)

3. Monday 5:00-7:00 Class (B-2)

4. Tuesday 6:00-8:00 Class (C-1)

5. D-1/D-2 Advanced Class

These dancers will ALL need to be dropped off at the theater at 2:15 for rehearsal. They are ALL to bring a packed dinner. We will discuss with classes closer to the time.

These parents can arrive at the theater for seating around 6:30. (after the younger dancers are taken back to the dressing area we will open the doors to the auditorium)

Tickets/Seats will work as follows:

1. Parents of the dancers that are only performing in one designated show will use their two tickets to attend their dancer's specific show. (you can allow anyone you choose to enter with your ticket – however only 2 people will be allowed to enter – this includes siblings/babies.)
2. Parents of the dancers that are performing in both shows must use their initial show tickets to attend the 7PM show.
3. Parents of the dancers that are performing in both shows will have the option to purchase 2 extra tickets for the 4:30 PM show. **(This is possible because we have eliminated 3 classes in each show. I have made the decision to open those tickets up to the parents of those dancers that are performing in 2 shows.)**
4. Parents of the dancers in both shows have until May 29th to send in their check/cash in an envelope for their 2 extra tickets to the first show. (\$12 a ticket)
5. All Tickets will be handed out the first week of June. They will be different colors for each show.
6. If you ordered / or are ordering a pom-pom bouquet, they will be at the theater for pick up before you enter to take your seat. 😊
7. Masks are mandatory for all entering the theater and must remain on the entire time that you are in the school. This will not be negotiated and if anyone does not follow the school's rules – you will be asked to leave immediately. Vaccinated people must follow the rule as well.
8. You will be getting another newsletter closer to the show with all the specifics on the day. You will also receive your dancer's "show checklist" the week of the show – this will allow them/you to check off everything they need to bring to the show.
9. REMINDER: Picture Day is Sunday, May 16th. Picture times will be posted to the studio calendar this week – papers have been sent to us by the photographer and when they arrive will be handed out. PLEASE HAVE YOUR DANCER COME TO PICTURE DAY – EVEN IF YOU ARE NOT PURCHASING PICTURES OF YOUR DANCER. THIS WILL ALLOW THEM TO BE IN THE GROUP PICTURE FOR THE CLASS - AS WELL AS ON THE STUDIO WALL!

We appreciate your understanding during this time. We want to make it possible for you to see your dancer(s) perform in an actual "live show"!

Always Dancing,

Miss Traci
