

Hi S.D.S. Families,

I hope you are all as excited as we are to be getting close to the taping of our “Holiday Performance!” This email will be filled with all the information needed to help us get through this creative day.

I think the easiest and clearest way for me to get all the information out there will be to use a list form. I want to make sure I am hitting all the necessary points and a list format is the least confusing!

Below is the show day information that you need and rules we all must follow to make this day a success.

- Date of Show Taping is Sunday, Jan. 24th, 2021.
- The show will be taped at the Freeburg Fire Hall. The address is: 14 East Market Street. (The Hall we will be in is attached to the fire department on the backside.)
- We will be running the taping in ½ hour segments. We will have 30 minutes to get each class in the building, dressed, performance taped, dancers changed back into regular clothing and out the door.
- Families should arrive to the Hall 10 minutes before their dancer’s time slot and remain by your car until we come out and motion for you to come in. We will let one class out and then wipe down the chairs and admit the next group.
- Do not show up after the time slot designated for your dancer. We will be admitting the group at one time. Once inside we will take the dancers back to be changed and there will be no more admittance. It is your responsibility to be there early and ready to come in. We will not be deviating from this rule. We will be on a strict time schedule and will be working hard to make this happen.
- EVERYONE will have their temperature taken at the door.
- NO ONE will be permitted into the building without a face mask on.
- Face Masks must remain on and covering your nose and mouth the entire time you are in the Fire Hall.
- No dressing mothers will be needed for this specific day. The SDS Staff will be taking care of the dancers before each performance.
- Each dancer can have 2 people enter the building with them at their performance time. These are the two people that will remain in the building to watch them dance. NO EXCEPTIONS. This means no siblings will be permitted unless they are counted as one of the two that will be watching.
- When you come into the building you will hand off your dancer to us and take a seat in one of the socially distanced sets of chairs that will be set up. (in groups of 2) There will be extra chairs in case you are not coming in pairs. 😊
- Please remain in your seat the entire time. We will bring your dancer out to go home after they perform for you.
- Do not send any food with your dancer. All dancers may bring a water bottle.
- If you were contacted by Miss Traci to bring a costume to the show – have your dancer bring it along in a bag. NO ONE WEARS COSTUMES TO AND FROM THE PERFORMANCE. If you were not asked to bring one in; that means that we are supplying your dancer’s costume.

- All dancers should arrive in regular clothing – however they MUST HAVE THEIR TIGHTS ON UNDER THEIR CLOTHES. WE DO NOT WANT TO BE PUTTING TIGHTS ON THE DANCERS.

- All Dancer's must wear an SDS mask (black) or a plain black mask if you did not order a studio mask. Either is fine!

- Below is a show checklist that we will also be sending home this week with your dancer. I will also be posting this on the website under our documents tab. It must be followed – just like we do at our live shows If you have any questions on the checklist or this email – please let me know. Please do not wait until the day of the show to contact me, as I will be busy working on making things fall into place and will not be looking at emails or texts on that day.

SHOW RULES FOR JANUARY 24TH, 2021

- No Nail Polish on dancers.

- Water bottles only – no juice or soda.

- No Gum.

- No under wear under tights. They show up through many of the costumes.

- Hair must be in a tight bun. Bun placement is in the middle on the BACK of the head. Do not send your dancer to the show with a bun on the top of their head. We will be putting hair pieces on every dancer and they must remain the same.

- No “wispies” or bangs. (use hairspray, gel or mousse to slick your dancer's hair back)

- HAIR MUST BE DONE BEFORE ARRIVAL. We will not have time to do hair. Please make this a priority.

- Eye Makeup – Mascara and eye shadow would be great. Even though there will not be stage lighting this time, we would like the dancers to feel just as they do at any other performance - Special and made up!

- New tights – Prima/Ballet Pink. If you did not order tights for your dancer – they must be the correct color. We do have extra if anyone needs a pair.

- No jewelry – except tiny post earrings. Take all jewelry off before coming to the show.

- No fake tattoos visible on the body.

- Don't forget your dancer's dance bag.

We are so excited to be putting this “show/movie” together for our dance families. Your dancers are working so hard and we are so proud of them. They just keep rolling with the changes and are so positive.

Once the day is over – the production company will be working hard to get the finished show for us. They will let me know an online premiere date as soon as possible He needs to go back and put it into a show format as we are taping it class by class. After it premieres online you will be able to go in and download a copy of the show to keep. If anyone ends up having trouble doing this – just let me know and we will make sure to help you get a copy!

Thank you so much for allowing your dancer to participate in this special show.

Always Dancing,

Miss Traci
